

COALITION to STRENGTHEN  
the HPV IMMUNIZATION  
COMMUNITY

# HPV Vaccination Programs in LMICs from Southeast Asia & West Pacific regions

## Symposium

Manila, Philippines | 2,3 and 4 October, 2024

[stophpv.org](http://stophpv.org)

## Breakout Groups overview

### **Breakout group 1: Funding opportunities and financial sustainability of HPV programs**

**Facilitators:** Ms. Emily Kobayashi and Dr Didik Setiawan

#### **Tentative discussion items:**

- HPV program sustainability factors
- Government routine financing for HPV
- Lessons from financing transition experience
- Effective ways to engage with Ministries of Finance

### **Breakout group 2: Single-dose evidence, product choice and vaccine procurement process**

**Facilitators:** Dr Cathy Ndiaye and Dr Hiroki Akaba

#### **Tentative discussion items:**

- Experience in communication on the switch from two-dose to single-dose HPV vaccine.
- How might WHO's single-dose Cocolin recommendation impact your vaccine choice

### **Breakout group 3: Implementation strategies**

**Facilitators:** Dr Vasuki Utravathy & Dr. Putri Herliana

Topics will be decided in consultation with the group
